Dear Tom

Just a line to let you  
know we arrived home safe  
& the dog is going mad.

Mother is glad to hear you  
are coming home but is sorry  
to hear about your arm, but  
I tell her there is plenty  
more. Mother had quite made  
up her mind to come in  
the new year but she is  
pleased because she won't have

To come, let us know as  
soon as you can how  
you go on & when you will  
be coming home & then  
some body can meet you  
best love from all
